IT IS HEREBY STIPULATED by and between the parties, through their respective undersigned attorneys, and with the permission of the Court, that plaintiff's time to file a motion for summary judgment is extended to September 8, 2023.

This is a second extension, but of only four additional days. The original date was actually Labor Day. Plaintiff's counsel was out of town Monday and Tuesday this week for a hearing, had another hearing this week, prepared one prehearing brief Thursday and must prepare another

Friday, and will be out of town one day over this three-day weekend. For these reasons, plaintiff's opening brief cannot be properly prepared by the Labor Day date inadvertently selected previously.
